

# We Are Moving!

The Nebraska American Legion expects to purchase a new Department Headquarters on March 31. There was office furniture left behind, so unneeded furniture that is currently in the 5600 P Street building is up for sale. Bids from Legion Family will be accepted through March 31. Any items remaining will then be open to public for bids. All sales are subject to closing on April 12. Following successful closing, items must be picked up between April 13 and April 27. Contact Adjutant Dave Salak at 402-464-6338 with any questions.
