LIT Products and Services Exclusively for Legion Families

The Legion families in this Department are very fortunate to be part of something that has been around over half a century – the Legionnaire Insurance Trust (LIT). The Department joined with the other forty-nine (49) Departments that make-up the LIT. The LIT is **this Department’s sponsored insurance program**. Make no mistake, the broad range of insurance products and services found under the LIT umbrella are **your** products and services. These products and services are not available to just anyone – other veterans included – but only to members of this Department’s Legion family.

The LIT’s products and services are continually reviewed and updated (plus new programs added) so that you have access to the best selection possible. The oversight of the LIT is done by a Board of Directors – with one Trust Director from each participating Department. This helps make sure you are getting the best possible coverage from the Legionnaire Insurance Trust program.

Through the LIT, your Department sponsors a broad range of insurance products and services ranging from the “*no-cost*” *AD&D* to *HOSPITAL HELP* to *CANCER CARE* to *Emergency Assistance + (EA+)* to *Medicare Supplement* and more - so one or more will likely fill a need in your family’s insurance portfolio.

The best way to buy insurance is to shop, compare, and then purchase the coverage from a source you trust. We invite you to compare this Department’s endorsed products with any on the market. Then you can buy with the confidence of over fifty (50) years of continuous service to Legion families behind the LIT. Buying through the LIT also helps support your Department’s programs and services.

To learn more about your Department’s insurance products and services please call the LIT’s administrator at **(800) 235-6943** or check-out the programs at **www.theLIT.com**. Either way, there will be no hard-sell or obligation to buy when you do.
