The Legionnaire Insurance Trust has a New Website!

The Legionnaire Insurance Trust has been providing valuable benefits to members of the Legion Family for over 50 years. This past year we created an enhanced member experience with our new website (www.theLIT.com). The site now features updated information for Legionnaires interested in learning more about the many insurance products available at low group rates. It also has a community section where members can ask questions and share their thoughts with fellow Legionnaires.

Legion members will find the newly improved website an excellent resource to learn more about the numerous products available to them. The updated site includes comprehensive descriptions of all products available, including:

- ❖ Hospital Help Protection
- ❖ Cancer Care
- ❖ Emergency Assistance Plus
- ❖ Medicare Supplement

If you are a current insured with the Legionnaire Insurance Trust, you can now obtain a copy of your plan, download claims forms, or contact the Legionnaire Insurance Trust quickly and efficiently- no more waiting on the phone!

To learn more about our programs, products, and how to manage your plans, please visit our new website at www.theLIT.com.
