Before you go another mile...

Imagine for a moment you were sick or hurt away from home, in a place you don't know, with medical staff you've never met before...

...any time we get on the road an emergency could happen. Being hospitalized away from home in a distant location can be a frightening and unsettling experience. Once the initial emergency is over, additional complications may arise such as, "how do I get myself home?"

This is why The Legionnaire Insurance Trust the *Emergency Assistance Plus* Program. *EA+* will be on your side, looking out for you, making sure you receive proper medical care, and getting you home if necessary. The *EA+* Program offers a comprehensive package of benefits that consists of 4 major parts: medical assistance, medical evacuation, assistance for companions and travel assistance.*

A recent enhancement to *EA+* now includes escorting you home with a qualified nurse, if deemed medically necessary by *EA+* physicians, saving members anywhere from \$5,000 - \$25,000. *EA+* isn't medical insurance. It's a critical safety net that helps pay for emergencies your health insurance generally will not cover.

EA+ is available 24 hours a day 7 days a week so you will always be able to access help anywhere in the world. For additional information on *EA+* and how it can be yours, visit <http://www.TheLIT.com/Emergency-Assistance-Plus> or call 1-800-235-6943 and one of our representatives will be happy to assist you.
